### Other News

I have managed to get one of the off-road bikers summons to court. He was caught on the road in Nonington by me. After giving incorrect details, I very quickly had a name and address for him. One on my Special Constable Colleagues helped with getting him in for interview and submitting paperwork to the court. In total he committed 7 offences.

### Good News

The youth club at the welfare on a Thursday evening is attended by the boys. They are hoping to increase the numbers in the coming months and make more activities available.

The East Kent Ploughing Match was a good day for engagement. Kent Police were supporting the Rural Communities, we Spoke to lots of people about all different issues, from metal detecting, speeding, fly tipping, community issues and working for Kent Police.

### Aylesham Workshop Trust Event

This was a popular event, lots of fun by all. The question of the day was ‘ what makes a Pitt Pastie different from other pasties’ I’m still none the wiser. Answers on a postcard. 😊

### Community catch up

Friday the 30<sup>th</sup> was the Community catch up with myself and DDC CDO Neil Chester.

It was very well attended, the community really are coming together again.
