Local electors and the press are entitled to listen to Parish Council Meetings but not to take part. An opportunity to speak on an Agenda item will be given at the beginning of Council business. Please let the Administration Officer know in advance if you wish to speak on 07830 35387.

Agenda Item 8: Parish Clerk Report

8. Parish Clerk Report

8.1 Email received from resident Enquiring if the B2046 speed reduction has been considered by Council within the Highways Improvement Plan.

Actioned: Informed resident that this has been added to Highways Improvement Plan for 2023; once Council have considered feedback from the imminent meeting with Kent County Council, the resident will be contacted further.

8.2 Email received in relation to metal detecting on leased areas of land.

Actioned: Responded that Aylesham Parish Council are unable to grant permission due to the landowner Dover District Council and Coal Board not allowing metal detecting on any land.

8.3 Email from resident explaining that her daughter tripped over a loose paving slab on the paved area in front of the train station. The resident reported that there are several slabs that are loose and when stepped on lift up causing a trip hazard.

Actioned: Reported to Dover District Council Parks and Open Spaces team, via their website.

- **8.4** Invitation received to take part in the annual Christmas Tree Festival at St Peter's Church. This year, trees will be on display between 16th December 24th December. St Peter's Church are inviting local organisations to display a Christmas Tree decorated in a way that best represents the organisation and what it does.
- **8.5** Email received from a further resident raising the following question question re: School Square (Dorman Avenue North):
 - why is this still closed off and being used as a builder's yard? There are multiple building sites around the village used by both Persimmon and Barrett's which can be used for storage and materials. As there is no longer any actual building work now taking place in school square, it seems unreasonable to keep it closed off.
 - Please can the seating be restored, and this opened up again for public use?

Actioned: Advised that we have raised this at the developers meeting. Provided resident with the Major Projects email address at Dover District Council.

Update to be given under Agenda item 14.2.

8.6 Correspondence received from Aylesham Hub Ltd regarding Station Field. Aylesham HUB Ltd would like Aylesham Parish Council to begin the process of considering taking on a lease with Dover District Council for the area known as Station Field.

Actioned: Full briefing information requested from Aylesham HUB Ltd detailing their proposals that they have previously discussed with Dover District Council, in order for Council to consider taking this forward further. Once the information is received, any legal matters checked by the Parish Clerk the item will be placed as a full Agenda item at a future meeting of the Council.

8.7 Kent County Council Community Transport Grant – Community-led groups or organisations can apply for a community transport grant to either set up a new scheme or support an existing one. Applications close on 18th December 2023:

Community transport grant - Kent County Council
